

TPG Website Terms of Use

Last Updated: September 2022

We (the affiliated entities commonly referred to as “TPG”) appreciate your interest in us and your visit to our website (the “Site”) owned and operated by TPG. These Terms of Use (“Terms”) set forth the basic terms and conditions that govern your visit to and use of the Site.

By using the Site, you agree to be bound by these Terms and all disclaimers and terms and conditions that appear on the Site now or in the future. These Terms may be updated by us at any time. Your continued use of the Site after any such modifications constitutes your acceptance of the modified terms and conditions. If you do not agree to receive these legal notices and to abide by these Terms for any reason you agree that your sole and exclusive remedy is to discontinue using the Site.

Nothing contained in these Terms is intended to modify or amend any other written agreement you may have with us (“Other Agreements”), if any, which may currently be in effect. In the event of any inconsistency between these Terms and any Other Agreements, the Other Agreements will govern.

Your compliance with these Terms and all Other Agreements is a condition to your right to access the Site. Your breach of any provision of these Terms or Other Agreements will automatically, without the requirement of notice of other action, revoke and terminate your right to access the Site and you will be fully liable for conversion, misappropriation, trespass to chattels, and all other claims and causes, regardless of the identity of the claimant or injured party, arising from or relating to your continued use of the Site after such breach.

Privacy

For information on how TPG collects, uses, and discloses information from its users of the Site, please review our [Website Privacy Policy](#). We may collect this information through “cookie” technology. Cookies are bits of text that can be placed on your computer’s hard drive when you visit certain web sites. For more information on the types of Cookies used on the Site and how to disable Cookies, please review our Cookies Policy. Your use of the Site indicates your consent to the data practices stated in our Website Privacy Policy and our Cookies Policy.

No Offer or Advice

You acknowledge that the content of the Site is for general, informational purposes only and is not intended to constitute an offer to sell or buy any securities or other assets or promise to undertake or solicit business and may not be relied upon in connection with any offer or sale of securities or other assets. An offer or solicitation will be made only through a final private placement memorandum, subscription agreement and/or other related documents with respect to a particular investment opportunity and will be subject to the terms and conditions contained in such documents, including the qualifications necessary to become an investor. TPG makes no representations that any information provided via the Site is accurate, current, or complete. You are solely responsible for evaluating the risks and merits regarding the use of the Site and any services provided herein.

We are not utilizing the Site to provide investment or other advice, and nothing on the Site is to be deemed a recommendation that you buy, sell or hold any security or other investment or that you pursue any investment style or strategy. If you would like investment, accounting, tax or legal advice, you should

consult with your own advisors with respect to your individual circumstances and needs. TPG will not treat users of the Site as its clients by virtue of their accessing the Site.

Past Performance

Any performance data or comments expressed on the Site are an indication of past performance. Past performance is not indicative of future results; no representation is being made that any investment will or is likely to achieve profits or losses similar to those achieved in the past, or that significant losses will be avoided.

Forward-Looking Statements

The contents of the Site may contain forward-looking statements, as defined by the Private Securities Litigation Reform Act of 1995 or within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements are based on management's beliefs, assumptions, current expectations, estimates, and projections about the financial industry, the economy, TPG itself or its investments. You can identify these forward-looking statements by the use of words such as "outlook," "indicator," "believe," "expect," "potential," "continue," "may," "should," "seek," "approximately," "predict," "anticipate," "optimistic," "intend," "plan," "estimate," "aim," "will" or the negative version of these words or similar expressions. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict with regard to timing, extent, likelihood and degree of occurrence. Therefore, actual results and outcomes may materially differ from what may be expressed or forecasted in such forward-looking statements. Furthermore, TPG undertakes no obligation to update, amend or clarify forward-looking statements, whether as a result of new information, future events or otherwise.

Risks and uncertainties regarding forward looking statements include, but are not limited to, those described under the section entitled "Risk Factors" in TPG's annual reports on Form 10-K and quarterly reports on Form 10-Q filed with the Securities and Exchange Commission (the "SEC"), as such factors may be updated from time to time in TPG's periodic filings with the SEC, which are accessible on the SEC's website at www.sec.gov.

Site Contents

All content included on the Site, such as text, images, graphics, logos, articles and other materials, is the property of TPG or others and is protected by United States and international copyright and other laws. All trademarks and logos displayed on the Site are the property of their respective owners, who may or may not be affiliated with TPG. Nothing contained on the Site should be construed as granting, by implication, estoppel or otherwise, any license or right to use any content or trademark displayed on the Site without the written permission of TPG or such other third party that may own the content or trademark displayed on the Site. Nothing in these Terms shall constitute a waiver of any trademark or other intellectual property rights concerning name, logo or trademark. Please be advised that TPG may enforce its intellectual property rights to the fullest extent by law.

Historical Documents

Through various portions of the Site, you may access historical documents that were published in the past. Please be advised that these documents may reflect information that, with the passage of time, has since changed. As an example, in May 2020, TPG and Sixth Street Partners completed a disaffiliation transaction and now operate as independent organizations. References on the Site or in any document contained on the Site to Sixth Street Partners or related branding are historical references only, used under license from Sixth Street Partners.

Our prior permission is required for (i) any commercial use of materials on the Site; (ii) making more than minimal copies of Site materials; and (iii) copying large portions of our Site, such as by bots, robots or spiders that “harvest” the Site. If you seek permission for such use of our Site, please contact us at website@tpg.com. Any unauthorized use of the images may violate copyright laws, trademark laws, the laws of privacy and publicity and communications regulations and statutes.

The permission to use the Site granted by this terms of use automatically terminates if you breach any of the terms and conditions contained herein.

Not all TPG portfolio investments had or have the characteristics, prospects, performance or projected successes highlighted in the Articles. Past performance should not be relied upon as an indication of future results. For a full list of all TPG portfolio investments managed by such select TPG Advisers shown on this website, [please click here](#).
